Safety

Safety and Security

All Cooperative operations, including the education program, shall be conducted in a manner that will promote the safety and security of everyone on Cooperative property or at a Cooperative event. The Executive Director or designee shall develop, implement, and maintain a comprehensive safety and security plan that includes, without limitation:

1. An emergency operations plan(s) addressing prevention, preparation, response, and recovery for each school;
2. Provisions for a coordinated effort with local law enforcement and fire officials, emergency medical services personnel, and the Cooperative Attorney;
3. A school safety drill plan;
4. Instruction in safe bus riding practices; and
5. A clear, rapid, factual, and coordinated system of internal and external communication.

In the event of an emergency that threatens the safety of any person or property, students and staff are encouraged to follow the best practices discussed for their building regarding the use of any available cellular telephones.

School Safety Drill Plan

During every academic year, each school building that houses school children shall conduct, at a minimum, each of the following in accordance with the School Safety Drill Act, 105 ILCS 128/:

1. Three school evacuation drills
2. One bus evacuation drill
3. One severe weather and shelter-in-place drill
4. One law enforcement drill

Automated External Defibrillator (AED)

The Executive Director or designee shall implement a written plan for responding to medical emergencies at the Cooperative's physical fitness facilities in accordance with the Fitness Facility Medical Emergency Preparedness Act. The plan shall provide for an automated external defibrillator (AED) to be available according to State law requirements. This policy does not create an obligation to use an AED nor is it intended to create any expectation that an AED will be present or a trained person will be present and/or able to use an AED.

Carbon Monoxide Alarms

The Executive Director or designee shall implement a plan with the Cooperative's local fire officials to: 1. Determine which school buildings to equip with approved carbon monoxide alarms or carbon monoxide detectors, 2. Locate the required carbon monoxide alarms or carbon monoxide detectors within 20 feet of a carbon monoxide emitting device, and 3. Incorporate carbon monoxide alarm or detector activation procedures into each school building that requires

a carbon monoxide alarm or detector. The Executive Director or designee shall ensure each school building annually reviews these procedures.

Emergency Closing

The Executive Director is authorized to close the NDSEC Administration Center and the NDSEC programs in the event of hazardous weather or other emergency that threatens the safety of students, staff members, or school property.

Annual Review

The Operational Board or its designee will annually review each school building's safety and security plans, protocols, and procedures, as well as each building's compliance with the school safety drill plan.
