

General School Administration

Administrative Personnel Other Than the Executive Director

Duties and Authority

The Operational Board establishes Cooperative administrative and supervisory positions in accordance with the Cooperative's needs and State law. This policy applies to all administrators other than the Executive Director. The general duties and authority of each administrative or supervisory position are approved by the Operational Board, upon the Executive Director's recommendation, and contained in the respective position's job description. In the event of a conflict, State law and/or the administrator's employment agreement shall control.

Qualifications

All administrative personnel shall be appropriately licensed and shall meet all applicable requirements contained in State law and Illinois State Board of Education rules.

Evaluation

The Executive Director or designee shall evaluate all administrative personnel and make employment and salary recommendations to the Operational Board.

Administrators shall annually present evidence to the Executive Director of professional growth through attendance at educational conferences, additional schooling, in-service training, and Illinois Administrators' Academy courses, or through other means as approved by the Executive Director.

Administrative Work Year

The work year for 12-month administrators shall be 260 days and for 10-month administrators shall be 215 days, unless otherwise stated in the employment agreement. In addition to legal holidays, administrators shall have vacation periods as approved by the Executive Director. All administrators shall be available for work when their services are necessary.

Compensation and Benefits

The Governing Board and each administrator shall enter into an employment agreement that complies with Governing Board policy and State law. The terms of an individual employment contract, when in conflict with this policy, will control.

The Operational Board will consider the Executive Director's recommendations when setting compensation for individual administrators. These recommendations should be

presented to the Operational Board in a timely manner that will allow the Operational Board to consider contract renewal and nonrenewal issues.

Unless stated otherwise in individual employment contracts, all benefits and leaves of absence available to teaching personnel are available to administrative personnel.
